Chapter 11

Debtor.

**NOTES ACCOMPANYING SCHEDULES  
AND STATEMENT OF FINANCIAL AFFAIRS**

1. While Smokecraft Clarendon, LLC (“Smokecraft” or the “Debtor”) maintains its principal place of business in Montgomery County, Maryland, the Debtor’s business is focused on the operation of a restaurant in Arlington County, Virginia. The address of the restaurant is set forth on Schedule G in connection with the lease for the dining space. The Maryland address is from where the restaurant’s principal member manages the business and where most business-centric mail is received (including communications from myriad creditors, including the entity’s largest creditor).

2. Commencing prior to opening and continuing through the present, the Debtor has procured various pieces of kitchen equipment – at the Debtor’s own expense – that are not listed on Schedule A/B as assets because they are in the nature of fixtures and have thusly become a part of the landlord’s premises. Pursuant to a Subordination of Lien Agreement between the Debtor,

the landlord, and the Debtor's primary secured creditor (Capital Bank), these fixtures do *not* constitute collateral of the secured creditor.

3. The Debtor does not believe it owes any monies to state or federal taxing authorities, but such authorities are nonetheless listed on Schedule E so as to ensure they are put on notice of this case.

4. As part of a pre-bankruptcy planning process, and in an effort to streamline this case and minimize the scope of various creditor claims, the Debtor made several payments to trade creditors pre-petition on April 29, 2024, so as to ensure such parties not become creditors herein. The majority of these payments are on account of obligations that, if not retired pre-petition, would have given rise to administrative priority claims under Section 503(b)(9) of Title 11 of the United States Code. None of these payments were individually in excess of the preference threshold set forth in Section 547(c)(9) of Title 11 of the United States Code (though some, considered in combination with other payments made in the 90 days preceding the petition date, would exceed that threshold). In the interests of transparency, all such payments have been listed on line 3 of the Statement of Financial Affairs, despite each such payment being for a sum less than \$7,575.00.

5. As indicated on the Statement of Financial Affairs and the Disclosure of Compensation of Attorney for Debtor(s), a retainer of \$15,000.00 was paid to undersigned counsel's firm on April 25, 2024. Of this, \$5,738.00 was drawn down prior to filing to pay pre-petition legal fees and the filing fee herein. The sum of \$9,262.00 remains in counsel's IOLTA account as a retainer for post-petition work.

6. As indicated on Schedule A/B, the Debtor held \$67,073.70 in depository accounts as of the filing of the petition for relief, being comprised of (i) a \$65,000.00 certificate of deposit that secures a letter of credit being used as a security deposit for the Debtor's lease; and (ii)

\$2,073.70 in ordinary business checking accounts. The Debtor does *not* presently intend to use these monies post-petition but, rather, intends to keep these funds segregated for the duration of this case. As such, the Debtor is not presently seeking leave of court to use cash collateral. Should there come a time when the Debtor believes it necessary or proper to use these monies, an appropriate motion for utilization of cash collateral will then be filed.

7. The foregoing reference to ordinary checking account balances is derived from current ledgers for each such account *except* for the account ending in 0398, for which an accrual balance has been used to reconcile the difference between the account's ledger balance and \$7,563.42 in pre-petition paychecks issued to employees but not yet negotiated by said employees.

Respectfully submitted,
